1. *May we remind you that your holiday booking is a legally binding contract. In the event of cancellation we will of course make every effort to re-let your booking. However if this is not achievable we are entitled to retain your deposit and ask for further payment to compensate us for our loss. We therefore strongly recommend taking out cancellation insurance .*
2. *To allow us time to properly prepare the cottage between visitors, please could we ask you to arrive no earlier than 15:30 and to depart no later than 10:30. Thank you!*
